SUCCÉDANÉ DE CRÈME

SUSTITUTO DE CREMA NO LÁCTEO

Rafulin's powdered non-dairy creamer is an excellent substitute for milk or cream as an additive to coffee, tea or other beverages. It is firstly lactose-free, dissolves instantly in any hot beverage and enhances your cup of coffee or tea by giving it a rich, smooth and creamier taste. Besides being used with beverages, it is also a popular ingredient in bakery, confectionery and ice-cream industries.

Designed with a longer shelf life and without the need for refrigeration, it is an ideal replacement for liquid creamers. Product is available in 25 kilos for industrial packing, 1 kilo for foodservice packing and for consumer packing, it is in 900 grams or 450 grams.

LACTOSE-FREE  
CHOLESTEROL-FREE
